38. Development Programmes for Non-Teaching Staff :

Computer Training on Internet Access was given to Non-Teaching Staff on 16,17,23& 24th April, 2012.

39. Best Practices of the Institution:

The following are the best practices that are practised every year.

(i) Religious Festivals

Major-wise Vilakku Pooja was performed every month in the college. In addition to this, at the end of the academic year, a Grand Vilakku Pooja was performed by the outgoing students, which enabled to inculcate “Bakthi” in the minds of the youngsters. Important religious festivals such as “Vinayaka Chaturthi,” “Kolu Pooja” and “Krishna Jeyanthi” were also celebrated in the college.

(ii) College Union :

Our College Union organized Welcome Party to the new comers to establish a good relationship among all the students. To exhibit the hidden talents of freshers a ‘Talent Show’ was also conducted.

ii) Pongal celebration:

‘Pongal Festival’ was celebrated department-wise by all the students. This festival has given room for the team spirit of the students. This has nourished self-confidence and responsibility in the minds of the students. Irrespective of the caste, creed and religion, all the students joined together for this celebration with a sense of co-operation which boosted up the “oneness” in their minds.

(i) Youth Welfare:

The Youth Welfare Committee organized and conducted “Youth Festival Competitions” on 15.09.2011 and 16.09.2011. Nearly 50 competitions were conducted major- wise to bring to light the latent

talents of the students. The winners were given prizes in the Union Valedictory Function.

(v) Yoga class:

To strengthen the physical and mental health of the students, yoga classes were conducted from 3.30 P.M to 4.30 P.M.

(ii) Daily prayer:

Every day the classes commence with a prayer song.

(vii) National day celebrations:

All the national festivals like Independence Day, Republic Day, Teachers Day, Martyr's Day etc., were celebrated. The festival like Raksha Bandan was also celebrated to inculcate the sisterly attitude among the staff and students.

(viii) Orientation for the I year students:

An orientation programme for the freshers was arranged in order to help them to shed their fear and to know about the college.

(ix) Value Education:

Every Friday, value education classes were conducted from 9.30 to 10.30 A.M. for all the UG and the PG students every Friday. Guest lectures were also arranged by the Value Education Committee so as to shape the students with good manners, to erase unwanted thoughts in the minds of the students and inculcate good habits in them. At the end of the year, tests were conducted by the value Education Committee and the prizes were distributed to the winners in the Union Valedictory function.

(x) Model Interview:

A model interview was conducted for the final year students to face the Interview Board in real life with courage and self-confidence.

(xi) Educational Tour:

Educational tours were arranged in order to strengthen the Teacher – Student relationship and also to improve the cordial relationship among the students.

(xii) Advisory System:

Advisory system is followed in each class. The Adviser is the God mother who takes complete care of her ward students. The slow learners are identified, advised and moulded properly. A cumulative

record is maintained by the Advisors for each student. The details of each student are well depicted in the cumulative record.

(xiii) Information Cell:

Information Cell of our college takes a prominent role at the time of admission. Since our college is located in the rural area, the information cell guides the parents by giving untiring ‘concrete counselling’ regarding the selection of the course for their daughters.
