PROGRAMMES ORGANIZED BY DEPARTMENT OF ZOOLOGY (2022 - 2023)

Report of the programme

: Guest lecture Name of the programme

: PG Seminar Hall Venue

: 21.09.2022 Date

Brief objective of the programme

of students aware the make : • To environmental and ocean pollution control by following Green Chemistry principles.

• To make use of chemicals made from renewable resources (i.e. Plant based) rather than chemicals obtained from

depleting resources.

Name of the chief guest with designation : Mrs. P. Kalaichelvi, M.Sc., M.Phil, NET, Head and Assistant Professor,

Department of Chemistry,

Govindammal Aditanar College for Women,

Tiruchendur.

: Green Chemistry Topic of the lecture

: 120 No. of participants

Outcome of the programme

: • The students understood well the Green Chemistry principles through the lecture.

 They started applying this in their daily life by avoiding the usage of polythene bags.

• They also understood that synthetic method should be designed to use and create substance that possesses little or no toxicity to human health and environment.

Head of the department

Report of the programme

Name of the programme : Practi

: Practical enrichment programme for +2

students

Venue

: Zoology Lab and PG Seminar Hall

Date

: 19.10.2022

Brief objective of the programme

• To create awareness related to Ecology and

Biotechnology practicals.

• To promote admission in the department of

Zoology.

Resource persons

: Dr. P. Kumutha,

Head and Associate Professor of Zoology.

Dr. R. Sujatha,

Assistant Professor of Zoology.

Dr. S. Radha,

Assistant Professor of Zoology.

Dr. G. Petchiammal,

Assistant Professor of Zoology.

Dr. M. Abitha Jasmine,

Assistant Professor of Zoology.

Topics discussed

: Evolution, Ecology, Biotechnology,

Immunology and Microbiology

No. of participants

: 59

Outcome of the programme

The students got clear knowledge regarding

practicals related to theory papers.

 They were motivated well to pursue their higher studies in the department of Zoology

of our college.

Report of the programme

Name of the programme

: Ecological Field Visit

Place visited

: Kalakad - Mundanthurai Tiger Reserve

Date

: 26.10.2022

Brief objective of the programme

: • To identify the forest ecosystem.

To know the potential threats to wild animals

and plants.

and plants.

No. of participants

: 38 (III B.Sc. Zoology)

Outcome of the programme

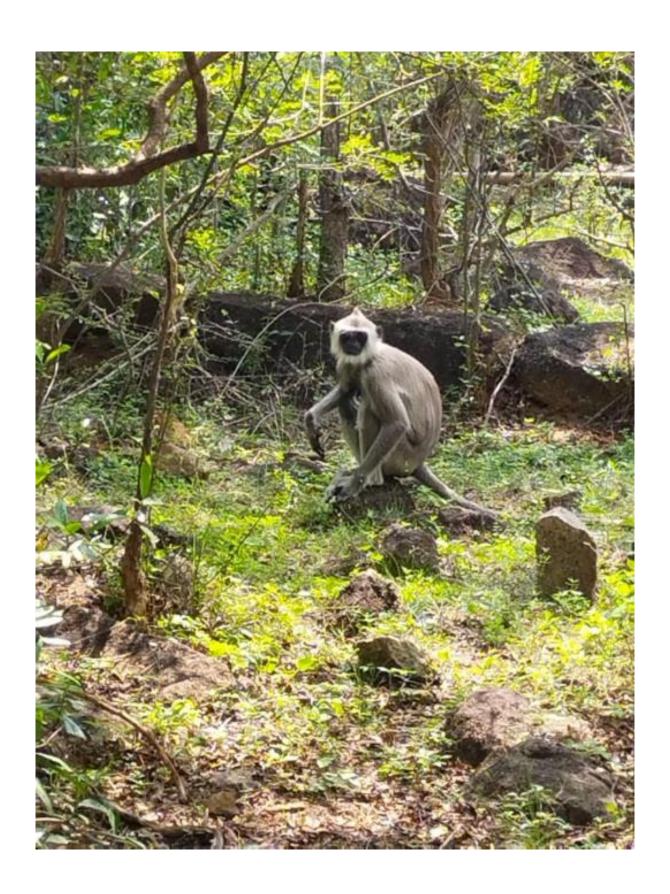

: • The students learnt to identify the flora and fauna of forest ecosystem.

 They also understood the potential threats to the forest ecosystem such as plastic pollution by visitors, the encroachment made inside the forest by outsiders, menace of monkey and spread of invasive plants inside the

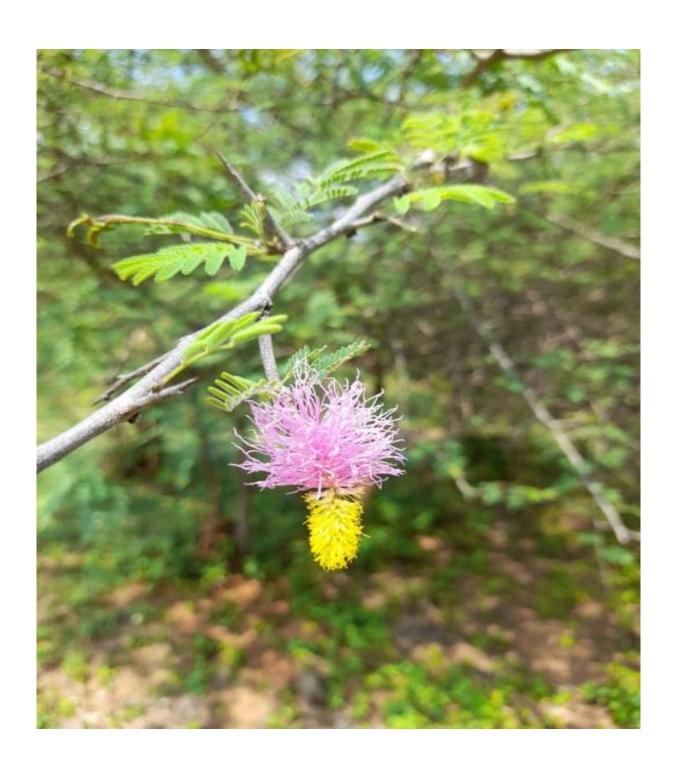

reserved forest.

DEPARTMENT OF ZOOLOGY

Organizes an Association meeting on

"Cancer Prevention and Awareness Programme"

Speaker

Dr. R. Sinthiya Saroja, BS., MS Nellai Cancer Care Center Tirunelveli.

Organizing Secretary
Dr.R.Sujatha

Convener Dr.P.Kumutha Principal Dr.P. Jeyanthi

24 March 2023 ; Time: 2.30 pm Place: PG Seminar Hall

Report of the programme

Name of the programme : Guest lecture

Venue : PG Seminar hall

Date : 24.03.2023

Brief objective of the programme : • To get the clear knowledge regarding

cancer cell and its growth.

 To know the identification of abnormalities due to growth and its

prevention methods.

Name of the chief guest with designation : Dr. R. Sinthiya Saroja, B.S., M.S.,

Nellai cancer care center,

Tirunelveli.

Topic of the lecture : Cancer prevention and awareness programme

No. of participants : 118

Outcome of the programme : • The students got knowledge regarding food items that prevent abnormal growth.

 They understood how to be safe from abnormal growth, hereditary influence in this disease and medicine to control its

effect.

They could also guide their relatives and

friends in this aspect.

DEPARTMENT OF ZOOLOGY

Report of the programme

Name of the programme

: Model Interview

Venue

: Zoology Laboratory

Date

: 08.05.2023

Brief objective of the programme

• To prepare the students to face interviews boldly.

 To know the self-assessment of the students about the subject and general knowledge.

Name of the interviewers with designation

: Panel I:

Dr. G. Petchiammal,
 Assistant Professor of Zoology.

ii. Dr. K. Mariammal,
Assistant Professor of Commerce (Batch I).

Panel II:

Dr. M. Abitha Jasmine,
 Assistant Professor of Zoology.

ii. Ms. V.N. Ramalakshmi,Assistant Professor of English.

Panel III:

i. Dr. R. Sujatha,Assistant Professor of Zoology.

ii. Dr. S. Ambikavathy,Assistant Professor of Chemistry.

No. of participants : 38

Outcome of the programme

- The students became courageous to face interviews in future.
 - They also evaluated themselves by this programme and it reduced their stress level to present their responses in front of the interviewers.
