### 15. Multidisciplinary / interdisciplinary

As our institution is affiliated to Manonmaniam Sundaranar University, Tirunelveli, the faculty of our institution take utmost care in the effective implementation of the curriculum designed by the university with continuous improvement in teaching and learning process. The institution offers eleven UG programmes and six PG programmes with Choice Based Credit System (CBCS), one research programme in Mathematics and five certificate courses. The programmes in Tamil, English, Economics, Commerce, Business Administration, Physics, Chemistry, Mathematics, Zoology, Computer Science and Computer Application provide a multidisciplinary stimulating Indian education and environment. In all UG programmes, Tamil or other languages come under Part-I subject. The Communicative English is assigned as Part-II. The programme wise core and elective subjects, allied subjects, Professional English and Skill-based subjects fall under Part III. Environmental Studies and Value Based Education have been introduced as Part-IV subjects for all first year students. Non Major Elective common subjects and Yoga are framed as Part-IV subjects for all second year students. In this year, several upskill courses (Part IV-2 credits) enhance the employability skills of UG students under the Tamilnadu Naan Mudhalvan scheme. The extension activity such as NSS/YRC/Sports is introduced as Part-V subjects for all second year students. Besides, the UG and PG programmes offer field work and project work to gain more experiential and practical learning. The certificate courses like Gandhian thought, Yoga, Business Communication, Vermiculture Technology and Food Chemistry impart holistic and multidisciplinary education in addition to the major programmes. The Non-Major Elective subjects in different programmes integrate humanity and science with STEM. The institution offers flexible and innovative curricula which include credit based courses such as Environmental Studies and Value Based Education with 2 credits each towards the attainment of a holistic and multidisciplinary education. The students of PG departments Tamil, English and Commerce undertake projects with 8 credits related to community engagement by evaluating the case studies, plays, interviews, journals, etc. The extension activity courses with credit 1 such as NSS and YRC engage the students in community service. The internships, industrial visit, study tour, projects and field work provide a wealth of opportunities for a multidisciplinary approach and engagement. The variety of co-curricular activities

conducted by the department wise associations, seminar classes and group discussions given to the students in the class room, and also the value education classes conducted on every Friday develop soft skills, creative and innovative talents of the students. The Kendra examination conducted every year by Vivekananda Kendra for our students imbibes spiritual interest, human values, Indian tradition and culture. The career guidance programmes by the placement cell, model civil services examinations by the quiz committee and the model interviews conducted by department wise associations bring ample opportunities to the students to get recruited in government services and in IT sectors. The introduction of allied subjects and non-major electives in all programmes provide interdisciplinary approach to the students. Thus the curriculum fosters a critical thinking, leadership and team work skills, a sense of commitment and a heightened sensitivity to one's socio-cultural environment.

#### **16.Academic bank of credits (ABC):**

In line with UGC guidelines our institution has implemented the online entity called Academic Bank of Credits through which the students have become academic account holders. Both UG and PG students have been registered under the ABC through Manonmaniam Sundaranar University portal with which they can transfer credits between institutions and programmes and can accumulate credits over time at their own pace. Through student enrolment in ABC which is a bank for academic purposes, they enjoy plethora of services including credit verification, credit accumulation, credit transfer or redemption and authentication of academic awards.

#### **17.Skill development:**

**Skill oriented curriculum:** According to the aim of National Qualification Framework, our institution prepares the students to become skilful and take a job of their choice to work in a familiar environment. The certificate courses offered such as Business Communication, Vermiculture Technology and Food chemistry & Technology provide vocational education to the students in the concerned course and pave way for self - employment. The introduction of Professional English for English programme, Professional English for Physical Sciences, Life Sciences, and Commerce and Management enable the students to learn well the professional soft skills related to different programmes. In all undergraduate programmes, common skill based subject Personality development and skill-based core subjects have been introduced for the interpersonal and professional skill development of the students respectively. The introduced Naan Mudhalvan scheme through universities provides dynamic and relevant information about

industry specific skill offerings. This will enable the students to get training in their chosen field of interest that will help them in achieving their career goals. The Value Based Education and Yoga under part IV for the students of UG programmes inculcate positivity amongst the students. They learn social justice, social harmony, Indian constitution, human rights, ethics and values. The certificate course 'Gandhian Thought' teaches the righteous conduct, truth, peace, love and non-violence. Efforts of the institution: The initiative is taken to conduct Cambridge upskill programme in English by ELTAC (English Language Training, Assessment & Certificate Services), Chennai through online for effective English communication. The phonetics, reading, writing and speaking skills are enriched through audio provisions in the laboratory. The soft skills of the students are also developed by conducting many co-curricular activities such as oral presentations, debates, and quiz programmes through departmentwise associations. In addition, seminar classes given to the students and group discussions in the class room enhance this skill further. Every year the management allots funds to organize guest lectures, seminars and workshops to give exposure of students in the field of research. The placement cell and alumnae association of our institution arrange career guidance and motivational programmes for the students to enhance the soft skills of them. Model interviews and Model Civil Services examinations are conducted at the end of the year to get the students prepared well to face the interviews without fear. In this year the institution has constituted the Entrepreneurship Development and Innovation Cell in co-ordination with Entrepreneurship Development and Innovation Institute, Chennai through our University to create avenues for showcasing the entrepreneurship skill of students. The Youth Red Cross of our institution organizes meditation class for final year students every year to relax the mind of students calm and stable. The value education classes conducted by value education committee on every Friday inculcates good virtues and values to the students by discussing the topics on humanity, social culture, general knowledge, current issues, etc. Thus as per the NEP 2020, our institution implements numerous practices to develop the vocational skills, soft skills, digital skills, professional skills and life skills.

**18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

The institution offers tamil/other languages as part-I subject in the curriculum to all UG programmes affiliated to Manonmaniam Sundaranar University. The U.G. and P.G. Tamil programmes introduce

subjects related to Literature, Archival Literature, Literary History, Literary Studies, Folklore, Tamil Culture and Tamil Grammar. Basic Tamil and Advanced Tamil courses catered to other language students as Non Major Elective subject. The Value Based Education subject under part IV of UG programmes inculcates positivity amongst the students. They learn social justice, social harmony, Indian constitution, human rights, ethics and values. The certificate course Gandhian Thought teaches the universal values of truth, dharma, sarvothaya, ahimsa, peace, abolition of caste, religious reconciliation, self control and shanthi. Efforts of the institution: To enrich the creative writing skills of the students and identify and recognize the outstanding student writers in Tamil, the Tamil Association named as Agathiyar Muthamizh Mantram publishes 'Alaiosai' magazine annually. It also organizes Muthamizh Vizah (Tri-Tamil festival) to promote the Isai (Music), Ilakkiyam (Poem) and Nadagam (Drama) every year to improve the cultural talents of the students. The value education classes conducted on every Friday inculcates good virtues and values to the students by discussing the topics in Tamil on humanity, social culture, general knowledge, current issues, etc. In addition to the above our institution conducts Vivekananda Kendra Examination in Tamil for all students to inculcate Indian culture and tradition. About sixty five meritorious students were selected and participated in the special camp. The medium of instruction in all programmes of the institution is English. But, most of the students get admitted in our institution come from Tamil medium schools. To facilitate them, the faculties of our institution are instructed to adopt bilingual teaching system to cope with the subjects.

Every year the Youth Welfare Committee conducts around 50 competitions which includes events on literature, art and culture. It is exciting to watch the cultural events like Karakam (folk dance with a pot on the head) and Bharatanatyam, Villuppattu (narration of a story by a group of people with music) showcasing Tamil literary and cultural talent. Every year Aanmiga Valarchi Kalagam (Spritual Enhancement Committee) organizes Navarathri festival, Thiruvilakku Pooja, Krishna Jeyanthi and Vinayagar Chaturthi celebrations through which the students understand the method, importance and values of worship. To enhance the Tamil culture and tradition, Pongal Festival is celebrated department wise by all students. Irrespective of the caste, creed and religion, all students join together for this celebration which boosts up communal harmony. Saree is the mandatory dress code for final year students to imbibe in them the traditional dress culture of Indian womenfolk. Prayer songs from Hinduism, Islam and Christianity in the morning prayer and recitation of Bhagavad Gita, Bible and Quranic verses by students during National day celebrations bring religious harmony among the students. A temple of

Lord Ganesh is situated in our college campus. Poojas are conducted on special occasions especially in all days of Tamil month of Margazhi. The students and staff participate and offer prayer.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Initiatives to transform the curriculum: The institution offers totally 17 programmes of humanities and science and 5 certificate courses with CBCS System. Environmental Studies, Professional English, Computer for Digital Era, Skill Based subjects, Non-Major Elective subjects, Personality Development, Yoga, N.S.S., Y.R.C. and Sports bring holistic and multidisciplinary Indian educational system. The employability upskill programmes introduced under the Chief Minister's Nan Mudalvan Scheme for the undergraduate students have opened new vistas of job opportunities to them. The industrial visit, study tour and field work provoke critical thinking. All students have been registered under ABC to enable credit transfer.

Efforts of the institution to capture OBE: The institution recruits competent and qualified faculty to impart quality higher education to the women students of this rural area. It provides sufficient infrastructure facilities like aerated and spacious class rooms, well equipped laboratories, seminar hall with audio-visual aid, automated library, computer with internet facility, hostel, staff quarters and transport to carry out effective teaching and learning. The institution premises are Wi-Fi enabled . In addition to the usual Chalk and Board Lecture Method, the faculty make use of LCD projectors, computers, laptops, mobile phones in the class room teaching. YouTube, E-mails, Whats app, Zoom, Google classrooms and Microsoft teams were used as platforms to carry out teaching learning process during the pandemic period. The internal marks are entered in the University web portal and ERP. The institution encourages the faculty to undertake many Faculty Development Programmes to update themselves in different areas of study and publish research papers in national and international journals. About six of our staff members act as research supervisors in various disciplines. In order to have great exposure, the institution has the practice of organizing seminars, workshops and training programmes for the students. The student centric activities are promoted through various associations functioning under the College Union. The NSS and YRC carry out extension activities to promote the institution -neighbourhood community network. Good practices of the institution pertaining to OBE: The student admission is on merit basis as per the government norms. The institution takes all steps for the students to avail the government scholarships. The Grievance Redressal cell , Women's Welfare cell, Anti-drug Club and Anti-Ragging Committee are functioning to redress

the grievances and ensure safety of the students. Our institution has become the registered member of National Digital Library of India (NDLI) to offer plenty of learning resources to the students. The Entrepreneurship Development and Innovation Cell has paved way for the self-employment of students. The feedback from the students and the alumnae is collected, analysed and the actions are taken. The Parent - Teacher meeting is conducted regularly and the suggestions of the parents are heard towards the progress of the institution. The Enterprise Resource Planning functions effectively with 35 modules and all the data of the institution are uploaded. Thus in view of NEP 2020 our institution offers an outcome based education to the rural women students fulfilling the mission and vision of it.

## 20.Distance education/online education:

Our institution Govindammal Aditanar College for Women is one of the constituent colleges of Manonmaniam Sundaranar University. So, the institution does not have any autonomy to offer any programme or courses through distance education.

<b>CURRICULAR ASPECTS</b>	
<b>1.1 - Curricular Planning and Implementation</b>	

### 1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Our institution follows the syllabus prescribed by Manonmaniam Sundaranar University, Tirunelveli. The head of the institution directs the heads of all departments who distribute workload among their departmental faculty. The teaching plans consist of detailed apportionment of the syllabus among all faculty of a particular department. Faculty members take utmost care to complete the syllabus in time. Our faculty follow chalk and board teaching method to deliver the curriculum to the students. Lecture method is always used with some teaching aids such as computers and LCD projectors whenever necessary to make teaching the most effective and comprehensive. The e- platform Microsoft Teams app was used effectively by our faculty for sharing course materials to the students. The department wise associations arrange regularly guest lectures and conduct competitions like quiz, essay writing, presentations, etc. to promote the co curricular activities. Tamilnadu Naan Mudhalvan scheme introduced for college students in online mode enhances the employability skills of undergraduate students through several upskill programmes. Marks of internal tests, seminars and assignments are entered in the university web portal regularly and also in ERP. Faculty refer library books, journals, online linkages and e-resources to the maximum extent for efficient curriculum delivery.

### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Time-Table and Calendar Committee of our institution headed by the Principal prepares the academic calendar every year. In academic calendar all the details such as the reopening and last working day, regular working days, festival holidays, public holidays, local holidays, and the commencement of internal tests and model examinations for each semester are mentioned. A copy of it is issued

to all students, teaching and non-teaching staff members. According to the time schedule mentioned in the academic calendar for the internal tests, the faculty plan to cover the syllabus in time and conduct internal tests. Frequent class tests and three internal assessments comprise the formal evaluative processes. Internal assessment is done transparently with examined scripts shown to students. A register is maintained by the faculty for each course in which the internal assessment is recorded. Systematically marks of internal tests, seminars and assignments are entered in the university web portal and ERP, and a copy of the entry from the university web portal is taken for documentation. The internal marks for the subjects allocated under Naan Mudhalvan scheme (Part IV) and part V subjects are also entered in the university examination web portal.

**1.3 - Curriculum Enrichment**

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Our institution has introduced few courses based on social issues into the curriculum. A common course entitled "Environmental

Studies" (first semester) provides general understanding and awareness of natural resources, biodiversity and helps in implementing the eco balance activities. The skill based common course entitled "Personality Development" (fifth semester) deals with developing the communication and interpersonal skills of an individual like punctuality, flexible attitude, stress management, goal setting, social graces and leadership. The department of Commerce, Business administration and Zoology educate professionalism through courses like Industrial Law, Salesmanship, Human resource management, and Animal Biotechnology. In order to make students aware of their responsibilities and professional ethics, our university has implemented the "Value Based Education" course (second semester). This includes chapters on women empowerment and women's rights, social issues and communal harmony, social justice and human rights, and values and ethics. The N.S.S., Sports and YRC have been introduced as Part V courses to carry out extension activities.

The Tamil Nadu Government has launched various employability upskill programmes under Naan Mudhalvan scheme for all UG students such as Cambridge upskill programme in English, digital skills for employability, data analytics and visualization powered by TABLEAU, employability skills training, mutual fund and cyber security.

<b>2.2 - Catering to Student Diversity</b>	
2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners	
Our institution organizes special programmes for the students of both advanced learners and slow learners.	

Every year the departmentwise associations organize many competitions to cater the learning needs of advanced learners. In order to build the quality of leadership and teamwork, the advanced learners are given opportunities to conduct these programmes. In addition, they are engaged to participate in intercollegiate competitions like poster and paper presentations, quiz, essay writing and elocution competitions, etc. Each department arranges the guest lectures for the students to improve their knowledge and to know about the latest techniques. Challenging topics for seminars and problems for assignments were given to the advanced learners to bring out their creative talents.

Slow learners were identified and given special attention by the course teacher. Remedial classes were conducted for the slow learners from 3.30 pm to 4.30 pm. They were given rigorous coaching to get them thorough with some topics by referring important university questions. Moreover, the class advisor identified the personal problems of the slow learners if any and helped them to overcome those problems. In this way the advisor took motherly care to make them to achieve high in their academic performance.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The curricular, co-curricular and extracurricular activities conducted in our institution are mainly focused to make learning

student-centric. Curriculum delivery is enhanced through group discussions, assignments, presentations, quiz competitions, field works, group projects and study tours for students. These activities promote experiential learning, participative learning of students and to learn problem solving methodologies. Apart from twelve departmentwise associations, seven associations such as Aanmeegam valarchi kazhagam (Spiritual enhancement association), Nature club, value education committee, youth welfare association, citizen consumer club, quiz club and Road safety patrol nurture the talent of students by organizing many student-centric programmes. Apart from conducting all these activities the institution guides and encourages the students to participate in many programmes organized outside the campus. The NSS, YRC and Red Ribbon Club organize many extension activities and outreach programmes to build qualities of leadership and teamwork. In order to inculcate human values, spiritual values, ethics and social responsibility among students various religious festivals, youth festival and college day are celebrated. The students actively participate irrespective of caste, color and religion and thereby bring unity in diversity.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Our institution encourages faculty to use best of the resources and make the teaching - learning an engaging experience for the students. The faculty of our institution make use of electronic gadgets such as LCD projectors, computers, laptops and mobile phones in the class room teaching. You -Tube, E-Mails, WhatsApp, Zoom, Google class rooms and Microsoft teams were used as platform to carry out teaching learning process. The faculty members referred online journals and books for preparing the study materials and also for their research activities. Seminar hall is equipped with multimedia facilities using ICT tools. Guest Lectures and seminars were conducted in seminar hall using ICT facilities. Uploading of syllabus, time - table, name of the course faculty, marking of student attendance and entry of internal test marks were done in ERP, the management information system. The internal test marks for the students were entered in the university web portal. The

government of Tamilnadu introduced Naan Mudhalvan scheme for the college students through universities to provide dynamic and relevant information about industry specific skill offerings. This will enable the students to get training in their chosen field of interest that will help them in achieving their career goals.

**2.5 - Evaluation Process and Reforms**

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

During the academic year 2022-2023 the internal tests were conducted through offline mode. The university assigns maximum 25 marks and 50 marks for theory and practical internal tests respectively. For U.G. programmes, twenty marks for the internal tests and five marks for the assignment are allotted. For P.G. programmes, fifteen marks for the internal tests, five marks for the assignment and five marks for the seminar class taken by the students are allotted. Similarly the maximum mark assigned for practical is 50 for both U.G and P.G programmes. The marks of 25 are given for internal test and the remaining for continuous assessment.

Weightage for behavioural aspect, independent learning and communication skills are given while awarding the marks. The average

of the best two internal test marks is taken as the test mark obtained by the student. The total internal mark is displayed on the notice board of each department which assures the transparent evaluation done by the teachers of the institution. The staff-in-charge enters the internal marks in the university web portal and a copy of the entry for each subject is also documented. The same internal marks are entered in the management information system (ERP).

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institution has a transparent, time - bound and efficient mechanism for examination related grievances. For all internal examination related queries, the respective head of the department is empowered to act and adjudicate except for extreme cases when the intervention of the head of institution may be necessary. The faculty evaluates the paper within a week of conduction of test. The evaluated answer sheets are shown to the students in the class and the marks are uploaded in ERP. After results are communicated to them, they free to voice their grievances any to the head of the department for taking effective remedial measures.

The faculty evaluates the assignment based on the rubric which is also shared with the students. The practical performed in lab by the student is immediately evaluated and the marks are assigned based on their performance. The lab exercises are discussed and demonstrated lively in the laboratory. The evaluation of the project is conducted in front of the panel consisting of group of faculties. The internal examination would be conducted separately for the absentees with valid reasons in a convenient date in consultation with the students.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The institution has well defined learning outcomes. The institution has proper mechanism of communication of the course outcomes by documenting hard copy of syllabi and course outcomes which are available in the respective departments for ready reference to the teachers and students. The syllabi and outcomes of courses are also uploaded on the college website. The introductory lecture given to the freshers by the head of the department and the course teachers is meant for communicating the course outcome to the students. In addition, the syllabus of the courses of theory, practicals, field works and projects and the course outcomes are instructed to the students directly. The course teachers inculcate the knowledge and skills in the minds of the young ones while delivering the curriculum. Moreover, the class advisors individually counsel and guide the students time to time about the importance of the courses in the programme for their future career growth. The uploading of the syllabi and the course outcomes in ERP is the clear indication of communicating the course outcomes to the students, staff and stakeholders.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institution has a systematic process of measuring the level of

POs, PSOs and COs. This assessment includes conducting internal tests both in theory and practical courses, giving assignments and seminar classes, assigning fieldworks and projects for students. The evaluation of the above mentioned academic activities and the university semester examination results reveal the successful attainment of programme outcomes, programme specific outcomes and course outcomes. Every year our institution constantly produces very good pass percentage. In the academic year 2021 - 2022, 30 students have won university ranks including 3 gold medals. In the academic year 2022-2023, there are 28 university rank holders. Besides, the creative talents shown by the students in co-curricular activities, projects and field works pave way for the evidence of achieving course and programme outcomes. In addition, the accolades from the parents during the Parent -Teacher meetings about the academic achievements of their wards and the increasing percentage of students pursuing higher education every year measure the level of programme and course outcomes. Many positive attributes about the teaching - learning process in our institution from the student feedback and the alumnae feedback are also evident of the attainment of programme outcomes and course outcomes.

### 3.2 - Innovation Ecosystem

#### 3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Our institution fosters a culture of innovation and creativity that enables not only technical education but also enhances the ethical and cultural values among the students. The College Bazaar organized by the BBA department provided hands-on experience for our students in marketing and management skills. Staff members consistently deliver guest lectures and share their knowledge within and beyond our campus.

To invoke interest in basic sciences, the departments of Mathematics, Chemistry, Computer Science and Physics organized various programmes for school students. In order to understand the traditional value of our ancestors to the students, the department of Tamil organized a workshop in which domestic antique items were showcased. Entrepreneur development programmes were conducted by the BBA department including a programme funded by EDII-TN. To give practical exposure to the students, the institution regularly arranges study tour, industrial visits, and engage them in field and

project works.

From the research department of Mathematics, paper presentations and pre-viva sessions are conducted regularly empowering the students with research expertise. Participating in these sessions motivate the students to explore new techniques and theories, encouraging them to pursue careers in research. This holistic approach ensures them as well-rounded individuals with strong academic foundational information.

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Campus cleanup drives were organized under Swaach Bharath by the NSS Units within the college campus. The students took pride in engaging in the sacred service of counting Hundiyaal in the Kulasai

Mutharamman temple. National Youth Awakening Day aimed at educating people about their rights and promoting responsible behavior. Celebrating National Voter's Day involved themed activities and competitions to raise awareness on the importance of right to vote.

The birth anniversary of Sardar Vallabhbhai Patel was commemorated to enlighten students about his role in India's freedom struggle and political integration. Aadhar card correction services were provided to students, addressing issues and updating personal information. Mega health camps were conducted to promote regular health check-ups.

Deworming tablet distribution targeted students, preventing potential health threats. A blood donation drive witnessed 56 student donors, fostering awareness about the noble act of saving lives. Women's day was celebrated, highlighting women's achievements in various domains. Awareness sessions on the Consumer Protection Act aimed to educate students on fair pricing and their rights as consumers. The International Year of Minor Millets was celebrated to create awareness about the health benefits of various millets. These initiatives collectively contributed to youth engagement, civic responsibility, and holistic well-being.

**INFRASTRUCTURE AND LEARNING RESOURCES****4.1 - Physical Facilities**

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Located in a lush green environment, the institution has two blocks, one for UG courses and another for PG courses. There are 48 class rooms and 1 seminar hall with ICT facility. Public address system is available in all the class rooms. The LCD facilities are deployed in two classrooms. The furnitures in the classrooms are ergonomic for sound learning. Good aeration and lighting of classrooms are ensured

through the fitted ceiling fans and lights. There are nine state of the art laboratories for programmes like Physics, Chemistry, Zoology, Computer Science and Computer Application. The student-computer ratio in the lab is 1:1. In the Physics lab the allotment ratio is 3:1 and in all other science labs the allotment ratio is 1:1. To address the academic needs of the students, a Centralised Xerox Center is in function. The college has a well stacked library that is spread over 3,300 sq.ft. The department libraries are also maintained for ready reference by staff and students. Microsoft teams app is used for supplementing offline classes like sharing study materials and giving assignments. The institution also uses LMS and ERP for effective teaching-learning process.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The library occupies an area of 3,300 sq.ft. and has a vast collection of books. Library was automated in the year 2007 using Autolib software. From June 2022, the library migrated to the open source integrated library system KOHA software version KOHA 22.05.00.000 in the Institutional ERP . It has round the clock OPAC facility for searching and renewal of books. Library has 6 computers, 1 scanner, 1 Kyocero digital copier cum printer and scanner to effectively deliver library services. All the documents and student's library card are barcoded. The library follows open access system.

#### Activities of the Library

Library has an association named "ChendhurVattam" which organizes orientation for freshers, offers internet connection, organizes book exhibition where students and faculty are given a discount of 15% for each book purchased, shares an e-pamphlet 'Know Your Library'. Library has been rewarding the students with 'Best User Award'. 'Enrich Your English' service is extended to develop the vocabulary . Library has registered in the National Digital Library of India Club (NDLI Club) and it has 2205 members. Various events like orientation, Book Review and guest lectures and global events conducted by the NDLI club of IIT Kharagpur are open to NDLI members.

### 4.3 - IT Infrastructure

#### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

A well-built IT infrastructure is deployed for academic and research support. The campus enabled with an internet service of 155+40 mbps bandwidth provides round the clock access through Twenty number of Wi-Fi access points to the students and faculty. Three biometric terminals are installed in the office through which faculty members record their attendance.

All the computers are connected through LAN. Aushi Tech, Kayamozhi, undertakes the computer maintenance which includes Network, hardware and software maintenance. Zenelac Power System Pvt. Ltd., Madurai undertakes the UPS maintenance. The browsing center has eight computers which provides internet access to staff and students. Over 172 desktops are deployed for practical session. Shenbagam Airconditioners, Tirunelveli undertakes the maintenance of Air conditioners.

The institutional ERP has modules for management of programmes and courses, student information systems, HR, attendance, time table, calendar, fees, campaign, admission, committee, placement, scholarship, transport and alumni. For library, integration of ERP with the open source integrated library system Koha is implemented. Mobile ERP App is also available for the access of the students and faculty members.

The software 'Microsoft Teams' (Office 365) is used for uploading study materials, giving tests, assignments, quizzes for which Microsoft account is created for all new faculty members and students.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

During the course of study, student centred learning is emphasized through presentations, group discussions, assignments, field trips and industrial visits. The college union organizes various academic and administrative activities for the welfare of the students. Two senior staff members are nominated by the Principal on the basis of seniority and they are the staff-in charge of the union. The Student Chairman and the Secretary of the union are selected from the final year UG programmes and the Joint Secretary is selected from the second year UG programmes. The union comprises twenty one associations. Each association is headed by a Student Secretary. The college organizes educational and recreational activities which include arranging daily prayer, welcome party to the freshers, union inauguration and valedictory functions. Teacher's day, Pongal day and Women's day are also celebrated.

Departmental associations conduct many co-curricular activities which make the students to inculcate the attitudes like teamwork and leadership skills. The Placement cell arranges guest lectures and career guidance programmes. It also arranges campus interviews for the students to get they employed. National Service Scheme, Youth Red Cross and Red Ribbon club carry out the extension activities for the students to promote institution-neighbourhood community network.

**5.4 - Alumni Engagement**

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Though there is no registered alumni association, the alumnae of our institution contribute to some extent by organizing motivational and career guidance programmes every year for the welfare of the students. In this year, the guest lectures on women's rights, job opportunity in IT sectors, Blood donation and Employment opportunities were arranged through online and offline. Essay writing and drawing competitions were conducted. The Alumnae association meeting is conducted every year on 26 th January and one of the prominent alumnae of the college is invited as the chief guest. In this year, the alumnae meet of Economics department (Batch 1994 -1997) was also conducted on 13.05.2023. The feedback was collected from the alumnae through online and suggestions were sought towards further progress of the institution. The data of the alumnae were enrolled in the website. All the events and programmes of the institution are posted in the website by the coordinator. Thus it acts as a bridge between the alumnae and the institution forever.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

#### Vision:

To aim at a far reaching social vision of imparting quality higher education to the women folk of this rural locality.

#### Mission:

To prepare the students to be self-reliant, responsible citizens and to make them acquire the quality of respecting the religion and tradition of our motherland.

#### Governance:

The Principal administrates the college with the support of teaching and non- teaching staff members and plans for the academic progress of the institution and executes them through Internal Quality Assurance Cell (IQAC). The college committee appoints the qualified and competent faculty members to impart quality higher education to students. The Management motivates the research activity, the academic and non-academic activities of the institution and allocates sufficient funds to meet the requirements through budget meeting.

#### Participation of faculty:

The Principal and our faculty are members in Senate Board, Board of Studies, question setting and Scrutiny Board, and evaluation board of the affiliating university and other autonomous institutions. Our faculties participate in the college committee, staff council, IQAC and other functional committees of the institution.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

#### Stock verification

Stock verification is crucial for any institution to maintain accurate asset records and ensure effective resource management. In our college, we conduct annual stock verifications to uphold these standards. The Principal delegates this responsibility to both teaching and non-teaching staff members. During the stock verification, our staff members visit various locations within the campus, including classrooms, laboratories, office and storage rooms, and cross-check the items with the stock register to ensure the quality and quantity accurately.

The laboratory items of the eight laboratories like equipments, specimens, computers, furniture, etc. are verified. The staff verify the books, journals and periodicals in both the general library and departmental libraries, and report the missing books if any. The staff members also inspect items owned by NSS and various committees functioning under the college union. Also, the inspection of sports equipments, consumable and non-consumable items in office, hostel items, and furniture of the entire college are made.

Following the verification process, the staff compile a comprehensive report and submit to the Principal. This includes findings and suggestions for replacement of damaged items. Thus, the annual stock verification safeguards the college's assets, minimizes the asset loss and maintains precise records.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

#### Admission Promoting Programmes

A comprehensive plan was devised in the IQAC meeting held on 20.07.2022 to boost admissions at our institution. This plan involved the implementation of two distinct strategies:

#### 1. Local School Engagement Programmes

In the initial phase, the institution decided to focus on +2 students from schools in and around Tiruchendur through the conduct of orientation programmes to provide valuable insights of our institution. Each department of the institution conducted special programmes tailored to their disciplines such as career guidance, hands on training on practical experiments, solving mathematical puzzles, identification of functional groups and specimen, HTML webpage creation, coding knowledge, etc.

#### 2. Distant School Outreach Programmes

The second part of our strategy was to motivate the +2 students from distant schools. For this, the management constituted teams comprised of staff members from the Aditanar Educational Institutions. These teams personally visited approximately 65 schools, spanning across southern districts. During these visits, our team members highlighted our institution's academic excellence, infrastructure, extra-curricular activities and successful prominent alumnae of our institution to attain the outcome based education.

The cumulative efforts of these two strategies bore fruit as we witnessed a substantial increase in admission inquiries and enrollments at our institution.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Secretary of the college is vested with the power of administration and he gives moral support to the Principal. The competent and qualified faculty are appointed as per the UGC norms. The Principal takes the key decisions of academic affairs in consultation with the members of the staff council. The academic departments, physical education department, library, office, IQAC, hostel and stakeholders' associations are functioning under the guidance of the Principal for the upliftment of the college.

The IQAC executes action plans for the quality enhancement of the institution through various committees.

- **College Union:** The twelve departmental associations and seven non-academic associations function under the college union. The office bearers of the college union conduct association meetings and competitions with the guidance of staff in-charge to enhance the talents of the students.
- **Student Welfare Cells:** The eight student welfare cells look after the welfare of the students with the panel of staff members.
- **Extension activity Committees:** The NSS, YRC and Red Ribbon committees carry out the extension activities and the outreach programmes.
- **Functional Committees:** The functional committees are formed to perform the academic activities of the institution, upload institutional data in various portals and organize functions of the institution successfully.

### 6.3 - Faculty Empowerment Strategies

#### 6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

- The institution provides welfare schemes for staff members like ESI, EPF, DA and allowances such as medical, conveyance and house rent.
- The staff members are benefitted with comfortable staff quarters near the college campus comprising 48 houses which are categorized as A, B and C blocks. The quarters are facilitated with uninterrupted water supply, electricity, children's park, well maintained campus with green garden and 24 hours security.
- The creche exists inside the college campus to look after the children of the staff members at nominal fee.
- The staff members with 25 years of service are felicitated with a gold coin during the college day celebration.

- The management always shares its moments of jubilation on the occasion of success in business or celebrations in their family by offering sweets and gifts to the staff members and students.
- The management honours the faculty with a gold coin for completing Ph.D. degree. They are given incentives for producing more university ranks.
- Non-Teaching staff members are given concession in college bus fee and festival advance.
- Every year, pongal bonus is given to the teaching and non-teaching staff members on the occasion of pongal celebration.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Our institution has systematic self-appraisal system to review the annual performance of faculty towards the development of the institution. The self-appraisal form reflects truly the accomplishments and contributions of the faculty in the field of teaching and research. The system also reviews the role of faculty in various decision making bodies of the affiliating university and

their significant contributions in the college development committees. This system strengthens the performance of staff members and also motivates them to overcome the area of their weaknesses. The head of the institution reviews the self-appraisal forms and forwards to the management for further perusal. Besides, she monitors the competency of both teaching and non-teaching staff based on their performances at various occasions.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

On a daily basis, the Office Superintendent and the college Accountant diligently review the accounts under the control of the Principal. This routine check is supervised by the internal auditor, the chief accountant of AEI, who examines the collection report and journal reports each day. The internal auditor conducts a thorough cross-verification of the reconciliation certificate and the balance certificate. He audits various financial aspects, including vouchers, Daily Collection Reports, Tax Deducted at Source, Fixed Asset Addition, fixed deposit receipts, Group Transfer, Employees Provident Fund and Employees State Insurance Corporation on a monthly basis. Furthermore, the internal auditor diligently calculates the depreciation of the institution's assets and determines the Written Down Value (WDV) of these assets.

An external audit is conducted periodically by a qualified chartered accountant from a reputable company. This external auditor verifies the effectiveness of the internal auditing processes and fee collections. The external audit extends to a comprehensive review of financial statements, balance sheets, and income and expenditure accounts. The auditor pays close attention to the liquidity position for the upcoming year, assesses the recoverability of assets, and verifies the WDV of assets and issues audit report on the financial year's closing date, March 31.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institution's resource mobilization strategy aligns with its vision and mission, aiming to provide essential facilities and allocate funds for planned events throughout the academic year. A significant portion of the institution's funds is contributed by the management, demonstrating a committed investment in its objectives. Diverse revenue streams supplement these contributions, encompassing student fees, including admission, tuition, transport, and hostel fees. Additionally, income is generated from various sources such as canteen rentals, crèche services, quarters' rent, revenue from the xerox machine and fines. Besides the classrooms are being utilized for conducting TNPSC examinations regularly.

Annually, a budget meeting conducted by the management determines fund allocations for Aditanar Educational Institutions. These allocations are based on comprehensive proposals reflecting the institutions' diverse needs, including departmental requirements, lab facilities, learning tools, library enhancements, staff salary, and maintenance. The management actively contributes funds for

additional endeavours. This includes organizing seminars and workshops, as well as recognizing and rewarding academic and non-academic excellence through cash awards and gold medals for outstanding students and staff. This multifaceted approach ensures that resources are strategically deployed to foster academic excellence, infrastructure development and the overall enrichment of the educational environment.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

### 1. Bridge Course:

Our institution introduced a comprehensive Bridge Course in the academic year 2022 - 2023 from 26.07.2022 to 28.07.2022 to equip the freshers with the confidence and knowledge needed to excel in their chosen fields of study. The programme acts as a vital link between school education and degree coursework. Each department prepared syllabi encompassing fundamental concepts and skills needed for the programme. It also fosters positive behaviours, acquaints students with campus facilities, emphasizes academic excellence, and highlights career opportunities. This comprehensive approach provides a strong foundation for success in both academic and professional pursuits.

### 2. Memorandum of Understanding:

Every year our institution takes various impactful initiatives in collaboration with the Primary Health Centre, Kayamozhi. On 14.02.2023, National Deworming Week was observed, providing deworming tablets to students. Dr. Ranjith Vinod, District Epidemiology Coordinator, educated them about worm-related health threats. On 17.02.2023, a successful blood donation camp was organized, where our students donated 54 units of blood. Notably, the institution received the 'Blood Donation Appreciation Award' for 2021-2022, recognizing our students' donation of 34 units of blood. On 13.03.2023, a five year Memorandum of Understanding with the

Primary Health Centre, Kayamozhi, was signed emphasizing social service, responsibility and health awareness promotion.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

**1. Feedback analysis:** In this year, Students Satisfaction Survey (SSS) and the alumnae feedback were collected from our students and the alumnae. The objective of the survey is to measure the student's level of satisfaction in teaching-learning processes based on their experiences in the institution. The questionnaire was framed and data were collected through online and analyzed. The improvement was made in accordance with the suggestions of the stakeholders by the Head of the institution and the Secretary. **2.Result analysis:** Every year as soon as the result is published by the university, the head of each department prepares the result analysis report and submits to the head of the institution. The report contains details like course teacher and pass % of students for all subjects. The report is reviewed by the Principal and then forwarded to the management. The faculties are rewarded by the management for producing excellence in result. Also, the faculties are instructed to coach the slow learners.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Govindammal Aditanar College for Women focusses on the vision of its founder in uplifting the status of women and making them empowered in the society. Every year various gender equity promotion programmes are systematically organized for the women students through Women's Welfare Cell. Women's Day is also celebrated in this year. The students transmit and impart the things which they learnt through awareness programmes on 'Gender Equity' to their family members and relatives, and they are also benefitted out of it.

In view of keeping the safety and security of girl students, security guards are appointed in front gates and in hostel. Surveillance is maintained through CCTV cameras fixed at various places. Anti-ragging committee has been established to ensure conducive learning environment. Students are instructed to sign in the undertaking form of anti-ragging with their parents' acknowledgement during the admission to abolish the ragging menace.

**7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management**

**Our institution has taken several initiatives to prevent contamination of the campus and encourages students to keep the campus clean.**

#### **Solid Waste Management**

**The solid wastes such as plastics, papers and food wastes are disposed off from the campus regularly. Metal and plastic wastes are segregated and given to authorized scrap agents.**

**Broken and damaged furniture are repaired and reused. Vermicompost pits are an extremely efficient way to dispose solid wastes like waste paper, dry leaves and plant wastes. In our institution, there is a well organized vermicompost pit and the manure prepared here is used as an organic fertilizer to enrich the garden.**

#### **Liquid Waste Management**

1. Waste water from college hostel bathrooms are utilized for growing trees.
2. Liquid chemicals are drained carefully with continuous flow of water into sink (HCl, H<sub>2</sub>SO<sub>4</sub>, HNO<sub>3</sub>)
3. The diluted solutions are poured down the sink and flushed with large amount of water.
4. The exhaust fans are fitted in the laboratory to expel gaseous waste.
5. There are 7 septic tank collectors including one in U.G. hostel.

#### E-Waste Management

The condemned electronic items like keyboard, CPU, Monitor, etc. are disposed off usually through the Victory Waste Paper Mart, Tiruchengode, Tamil Nadu.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Our institution is always at the forefront of nurturing tolerance and harmony among the students through twenty five clubs which are actively functioning by organizing student centric activities. Prayer songs from Hinduism, Islam and Christianity in the morning prayer and recitation of Bhagavad Gita, Bible and Quranic verses by students during National day celebrations bring religious harmony among the students. The grand "Thiruvilakku Pooja" was celebrated for the final year students on 05.05.2023. The Principal presented a brass lamp (Vilakku) to all the students irrespective of religion to inculcate "oneness" in their minds and blessed them to shine light in their lives for a brighter future. The festivals Navarathri, Krishna Jeyanthi and Vinayakar Chathuthi were also celebrated with religious fervour. Also Pongal is celebrated by the students without any difference of caste, religion and race. They prepared sweet pongal and did pujas with great delight.

The students of different religions (Muslims-49; Christians-276; Hindus-1554) with socio-economic differences study together in a harmonious environment. The value education classes inculcate moral and social values, and develop a positive attitude. Saree is the mandatory dress code for UG final year and PG students to imbibe in them the traditional dress culture of Indian womenfolk.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The celebration of National days in our institution including Independence Day, Republic day, National Youth Awakening day, National Unity Day, Martyr's Day and National Voter's Day instill a deep sense of patriotism in the minds of young learners. These commemorations serve as poignant reminders of our nation's history, values and aspirations. Our institution works at improving the personality of students through various social activities. Our NSS, YRC, RRC and RSP teams are working tirelessly towards this.

The Road Safety Patrol organised a special exhibition to raise awareness about road safety and traffic rules. The NSS conducted various awareness programmes such as mega eye screening camp, diabetes and blood pressure monitoring camp, blood donation drives and special camp for AADHAR updation.

Furthermore, NSS organised activities such as temple hundial coin counting and college campus cleaning, fostering a sense of responsibility and community engagement among students.

The YRC organised a guest lecture and an exhibition, insisting the importance of incorporating minor millets into one's diet.

The NDLI club of our library organised a KOHA OPAC and NDLI club orientation session to promote reading habits and enhance students' access to learning resources.

**7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals**

**Our college fervently celebrates national days like Independence Day, Republic Day and Martyrs' Day instilling patriotism among students every year. On National Voter's Day, the pledge was taken to understand the significance of enrollment of young voters'. NSS commemorated Dr. A.P.J. Abdul Kalam's birthday as Youth Awakening Day, and Sardar Vallabhbhai Patel's birth anniversary as National Unity Day, empowering youth for India's progress.**

**World Book Day was celebrated through various platforms like YRC,**

NDLI Club & Thoothukudi Readers' Association, fostering a culture of reading among students.

The YRC organized the International Year of food festival, spotlighting healthy eating habits through events like the Minor Millet Food festival. International Women's Day was celebrated by the Women's Welfare Cell, advocating for the empowerment and recognition of women's contributions to society.

A function organised by the College Union on Teachers' Day honoured the educators for their invaluable societal contributions. Events such as International Coastal Cleanup Day and National Deworming week organized by NSS promoted environmental cleanliness and health awareness among students. Additionally, Navarathri Golu Pooja and Grand Vilakku pooja organised by the Aanmeega Valarchi Kazhagamenriched students' spiritual knowledge in a grand manner.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

**Title of the Practice - I: Entrepreneurship Development Programme (funded by EDII - TN)**

In the hope of inculcating innovative spirit in the students, our institute organized an Entrepreneurship Development Programme for the holistic benefit of the students. The Entrepreneurship Development and Innovation Unit of our college organized a one day Entrepreneurship Development Programme (EDP) for outgoing students on 25th January 2023. Four entrepreneurship experts were invited to teach students about starting their own businesses. The invited guests of the programme clarified various doubts of the students, especially about how to start a legal enterprise with government schemes. About 100 final year students from various departments and alumnae participated and were benefited from this programme.

Title of the Practice - II: Training programme for Municipality employees.

Digital tools for maintaining public records include software and systems that help government agencies electronically store, manage and access various types of records. These tools provide features like database management, document management, data encryption, access control, audit trails, digitization of historical records, backup and recovery. A one-week training on digital tools for Tiruchendur municipal employees was organized by our computer application department from 20.02.2023 to 24.02.2023.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

#### Institutional Distinctiveness

The Pongal is basically a four-day festival of harvest, celebrated in Tamil Nadu on the first day of the Tamil month 'Thai'. It is mainly the festival of farmers who depend on the sun, cows and buffaloes for a bountiful harvest of their staple food rice.

A special feature is the ritualistic offering of sweet pongal made of rice, coconut and jaggery to pay their gratitude to God Surya. Our college ground is decorated with colourful kolams and decorations with sugarcane, mango leaves, vegetables, etc. The students were dressed in traditional colourful and grand sarees. The students and the staff turn cooks at the college as they lit fire in the firewood and prepare sweet- pongal. The chanting of "Pongalo Pongal" by students when the foam of water with rice comes out of the rim of the pot is exciting to watch. In this year it was celebrated on 20.01.2023. The students without any difference of caste, religion and race prepared the pongal, did poojas and served among them with

great delight. The Principal participated in all department poojas and graced the occasion with enthusiasm. The joyful occasion became a platform for unity among the students.
