GOVINDAMMAL ADITANAR COLLEGE FOR WOMEN, TIRUCHENDUR

DEPARTMENT OF COMPUTER APPLICATIONS

Report of the programme

Name of the programme : Two - day training programme on patient care delivery system

Venue : BCA Lab

Date : 17.2.2025 to 18.2.2025

Brief objective of the programme :

- To provide hands-on training for nursing students in Microsoft Excel (including formulae) MS Word and PowerPoint, integrated with AI tools to enhance productivity.
- To train them in website creation, internet browsing, effective online searching techniques and practical applications of AI tools.

No. of participants : 70 students from Padmashri Dr. Sivanthi Aditanar college of nursing, Tiruchendur

Outcome of the programme :

- Participants gained hands-on experience with Microsoft Word, Excel (including formulae) and PowerPoint, empowering them to create professional documents, manage data efficiently and deliver impactful presentations.
- Students learned to integrate AI tools with everyday applications to streamline tasks, boost productivity and support evidence-based decision-making in personal and professional contexts.
- Through the introduction of mobile health apps, wearable devices and telemedicine platforms,

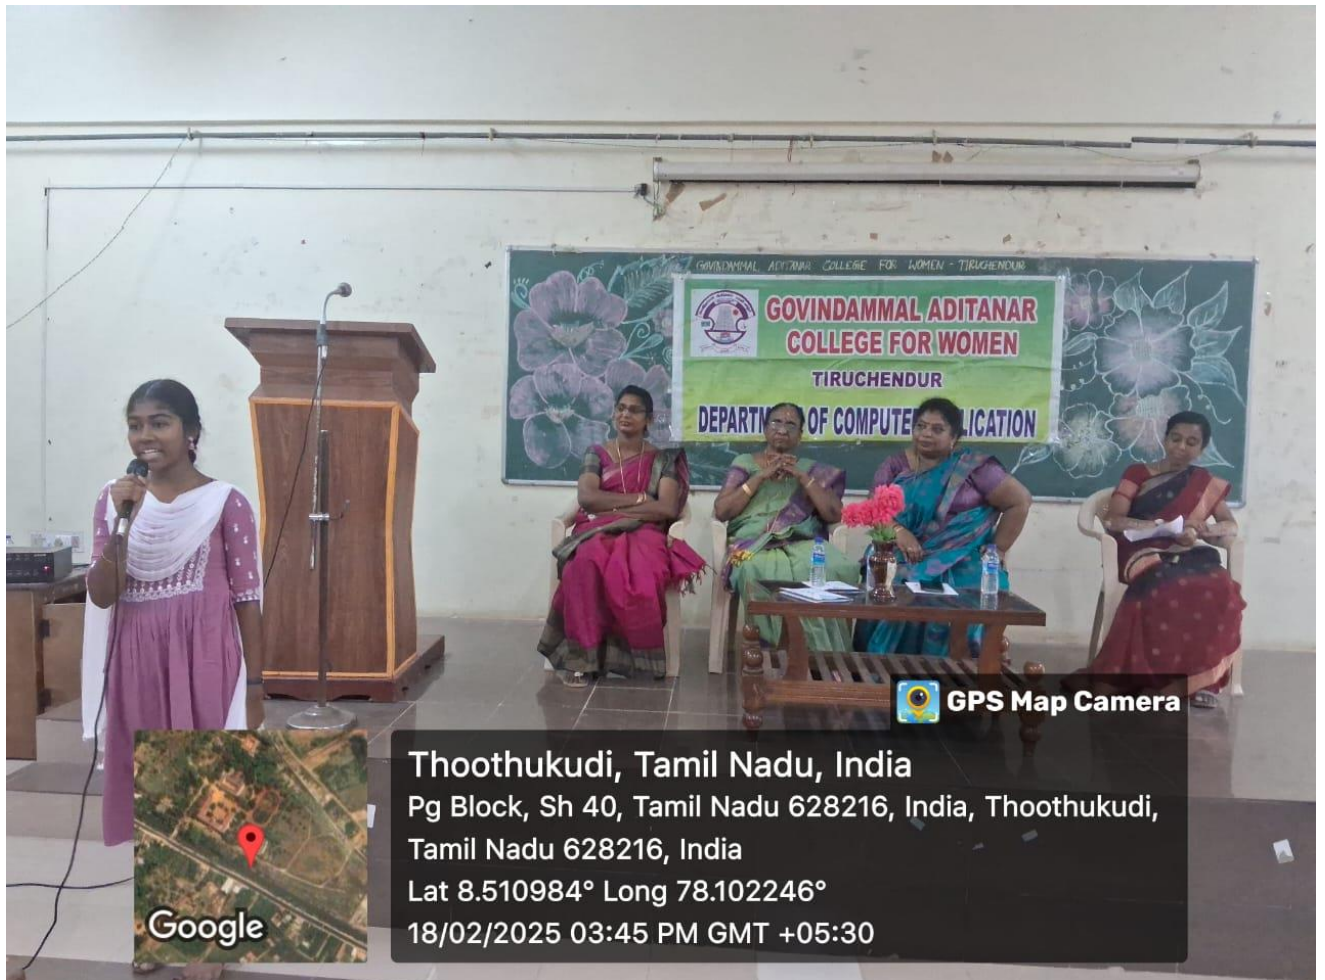

participants learned how technology supports chronic disease management, wellness tracking and personalized care.

- The workshop highlighted how digital and AI-powered tools bridge gaps between individuals and care providers, making healthcare more cost-effective, accessible and equitable for all.
