Dr.R. Sujatha

Report of the programme

Name of the programme

: MOU Signing Ceremony & Two - day Industrial Training Program on Petroleum Analysis, Digital microscope and cancer

studies.

Venue

: PG Seminar hall & Zoology Lab

Date

: 03. 02. 2025 & 04. 02. 2025

Brief objective of the programme

- : To establish a cooperative working relationship between parties in order to facilitate collaboration and sharing of information.
 - To recognize the importance of research and development as well as imparting industrial training and placement to the students.

Name of the chief guest with designation : Er. G. M. Srinivasan,

Petrochemical Technologist,

Galileovasan Offshore & Research and

Development Private Limited,

Nagapattinam.

Topic of the lecture

: Petroleum Analysis, Digital microscope and

cancer studies.

No. of participants

: 85

Outcome of the programme

: • The students came to know about the Petroleum analysis.

 Guidelines regarding research career towards animal cancer studies were given.

 The students gained ideas about interview techniques.

GOVINDAMMAL ADITANAR COLLEGE FOR WOMEN, TIRUCHENDUR

DEPARTMENT OF ZOOLOGY

Report of the programme

Name of the programme

Sericulture and Apiary Field Visit

Venue/Place

Nagercoil – Konam, Marthandam.

Date

06.02.2025

Brief objectives of the programme :

and showcase demonstrate ➤ To lifecycle, Mulberry Silkworm cultivation practices and Beekeeping

> To identify the technologies and methods used in both sericulture and

Apiculture sector.

Number of participants

22 students from III B.Sc. Zoology

Outcome of the programme

 It provided practical exposure to the process of silk production and honey extraction, and developed indepth understanding of the industry's economic and cultural significance.

Students gained insights regarding the challenges and opportunities within the Sericulture and Apiculture sector including entrepreneurship.

GOVINDAMMAL ADITANAR COLLEGE FOR WOMEN, TIRUCHENDUR

DEPARTMENT OF ZOOLOGY

Report of the programme

Name of the programme

: Training Programme

Venue

: PG Seminar Hall

Date

: 10.02.2025

Brief objective of the programme

: • To provide participants with hands on experience in mushroom cultivation and processing.

 To promote sustainable agriculture practices and entrepreneurship through mushroom

culture projects.

Name of the chief guest with designation:

Dr. M. Murugan, M.Sc., Ph.D.,

Assistant Professor, Department of Botany, Sri Kaliswari College,

Sivakasi.

Topic of the lecture

: Mushroom Culture Training Programme

No. of participants

: 85

Outcome of the programme

: • Participants learnt and practiced various mushroom culture techniques including, substrate preparation inoculation and spawn production.

· Participants gained in-depth knowledge of mushroom biology nutrition and health

benefits.

Participants learnt about the business

prospects of mushroom cultivation.

Report of the programme

Name of the programme

Essay writing & Verse writing competition

Venue

: Zoology Lab

Date

: 25.03.2025

Brief objective of the programme

1. To spread awareness about the conservation of forest and minimizing

deforestation.

To motivate the students to maintain the significant habitat loss and

environmental damage.

Topic

: Deforestation

No of students participated

: 25

Prize winners of Essay Writing

I Prize: R.Priyavathani (I B.Sc.,)

II Prize: M.Muthu Priya (I B.Sc.,)

Prize winners of Verse Writing

I Prize: M.Vigneswari (I B.Sc.,)

II Prize: V.Sharmiya (I B.Sc.,)

Outcomes

 The students understood forest is more important for all living things and it should

be saved for future generation

The programme enhanced the imaginative

and creative skills of students.

Staff in charge

Report of the programme

Name of the programme

Model Interview

Venue

Zoology Laboratory

Date

15.04.2025

Brief objectives of the programme

> To prepare the students to face interviews boldly.

> To know the self assessment of the students about the subject and general knowledge.

No. of participants

Name of the interviewers with designation

: Panel I:

22

1. Dr. S. Ambikavathy,

Assistant Professor of Chemistry.

2. Dr. S. Radha,

Assistant Professor of Zoology.

Panel II:

1. Ms. S. Kirutheeba,

Assistant Professor of English.

2. Dr. P.C. Sujitha,

Assistant Professor of Zoology.

Panel III:

1. Dr. M. Mariammal, Assistant Professor of Commerce (Batch I).

Dr. G. Petchiammal,

Assistant Professor of Zoology.

Outcome of the programme

- The students became courageous to face interviews in future.
- They also evaluated themselves by this programme and it reduced their stress level to present their the responses in front interviewers.
